

# FULL-HEIGHT TURNSTILE GLASSGO

Do you need decent protection and performance and no less design and beauty? Then turnstile GlassGO is for you! GlassGO is a turnstile, built on the principle of the classical rotary Full Height Turnstiles, but with glass blades instead of rods. This turnstile is a real decoration of your site, and will ensure protection level comparable to metal full-height turnstiles.

THE GLASSGO TURNSTILE IS A COMBINATION  
OF RELIABLE SECURITY AND STYLISH DESIGN

## Advantages

- Superb quality and operation at an affordable price
- Stable and Robust housing suitable for high traffic areas
- Can be integrated with any type of access control system
- Single or Bi Directional
- Fail Free or Fail Secure Options with manual release
- LED Indicators
- Low power consumption
- Whisper quiet, low noise operation
- Turnstile housing can be adapted for both indoor and outdoor installations

## Standard

- 2 types of LED indication
- Wired remote control

## Options

- Integration with any access control systems upon request (e.g. passage counter, RFID/Proximity/BioMetric readers, coin acceptor, push button, barcode and QR-code reader)
- Remote radio control
- Heating function for external installation

\* first figure is standard, all other available upon request.

### Technical Specifications:

Width, mm	1425
Diameter, mm	1460
Height, mm	2310
Weight, kg (not more)	450
Available mechanism	Servo-drive (Motorized)

#### Controlled by:

access control system;

manual control

When power goes OFF both directions are free.

#### Electrical Specifications:

- Voltage:
  - from the AC (100-240)V, 50/60Hz;
  - from a DC source 12 V;
- Maximum power consumption 155W per pass

#### Materials

Standard housing	Brushed SS AISI 304
Available housing	Brushed SS AISI 316 Polished SS AISI 304 Polished SS AISI 316 Powder coated RAL

#### Installation areas:

- Governmental Institutions
- Military Bases
- Nuclear Power Plants
- Production sites (Industrial Plants)
- Commercial areas
- Financial institutions
- Airport Premises
- Business (Office) Centers
- Hotels
- Sport Complexes
- Recreation areas
- Urban areas
- Education Institutions
- others
