

TRIPOD TURNSTILE GALAXY - M

Our Galaxy turnstile is a new model in our tripod series.

A combination of the functional Twix and stylish Sweeper, Galaxy offers the best of both worlds. It's contemporary designed cabinet is a unique solution. The Housing is offered in polished or brushed stainless steel, or as powder coated.

The transparent glass is framed by high strength steel. The Glass is equipped with LED indicators that can change color depending on the entrance functionality. The Galaxy Turnstile top incorporates the bracket for card reader and integrated LED module. Designers can take advantage of the ability to change the top design material on request.
